A child is regarded as having been in state care outside of England if they were in the care of, or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
- b) Professional supporting evidence from e.g. a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.
- c) Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship. Signed as confirmation (by incumbent or other church officer):

- d) A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to "parent's attendance at church", it is sufficient for just one parent to attend.
- e) Where the above criteria are not adequate to distinguish between requests for admission which cannot all be accepted without exceeding the admission limit, priority will be decided on the basis of the distance from the school, measured by the shortest walking route from the front door of the child's home address (including flats) to the main entrance of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.
- f) All children with birthdays between 1 September and 31 August are admitted in September. For children with a birthday after Christmas or after Easter parents may defer entry until later in the year and the Headteacher should be consulted if this option is being considered.

Notes

- a) A looked after child is a child who is a) in the care of the Local Authority, or b) being provided with accommodation by a Local Authority in the exercise of their social services functions (under section 22(1) of the Children Act 1989) A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, child arrangements or special guardianship order. A child is regarded as having been in state care outside of England if they were in the care of, or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
- b) Professional supporting evidence from e.g. a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school is question is the most suitable school and the difficulties which would be caused if the child had to attend another school.
- c) By "faithful and regular" we mean attendance at a minimum of two services per month for at least the 2 years immediately prior to the closing date for applications. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship. Evidence of this must be provided on the school's supplementary form. Please post your supplementary form to: **The Parish Office, St Saviour's Parish Centre, Bidston Road, Prenton, Wirral, CH43 2JZ**, a receipt will be sent to you. The form will be completed by the incumbent or their authorised signatory and returned to school.
- d) Please ensure your supplementary form has been completed by your minister and posted to either the school; **Oxton St Saviour's CE Aided Primary School, Holm Lane, Prenton, CH43 2HT** or **The Parish Office, St Saviour's Parish Centre, Bidston Road, Prenton, Wirral, CH43 2JZ**.
- e) A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend.

f) A map showing the boundaries is below and also on the school website: www.oxtonstsaviours.wirral.sch.uk

g) Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.

h) Where the above criteria are not adequate to distinguish between requests for admission which cannot all be accepted without exceeding the admission limit, priority will be decided on the basis of the distance from the school measured by the shortest walking route from the seed point of the child's home address to the nearest entrance of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. In the event of a tie break a lottery will be undertaken in a public place with names drawn from a box.

i) All children with birthdays between 1 September and 31 August are admitted in September. For children with a birthday after Christmas or after Easter parents may defer entry until later in the year and the headteacher should be consulted if this option is being considered.

10. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

(i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (1) above (see note 8).

(ii) The children of staff will be given increased priority within each category so that the application will be placed at the top of the category in which the application is made after children in (1) above (see note 10).

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the governing body) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

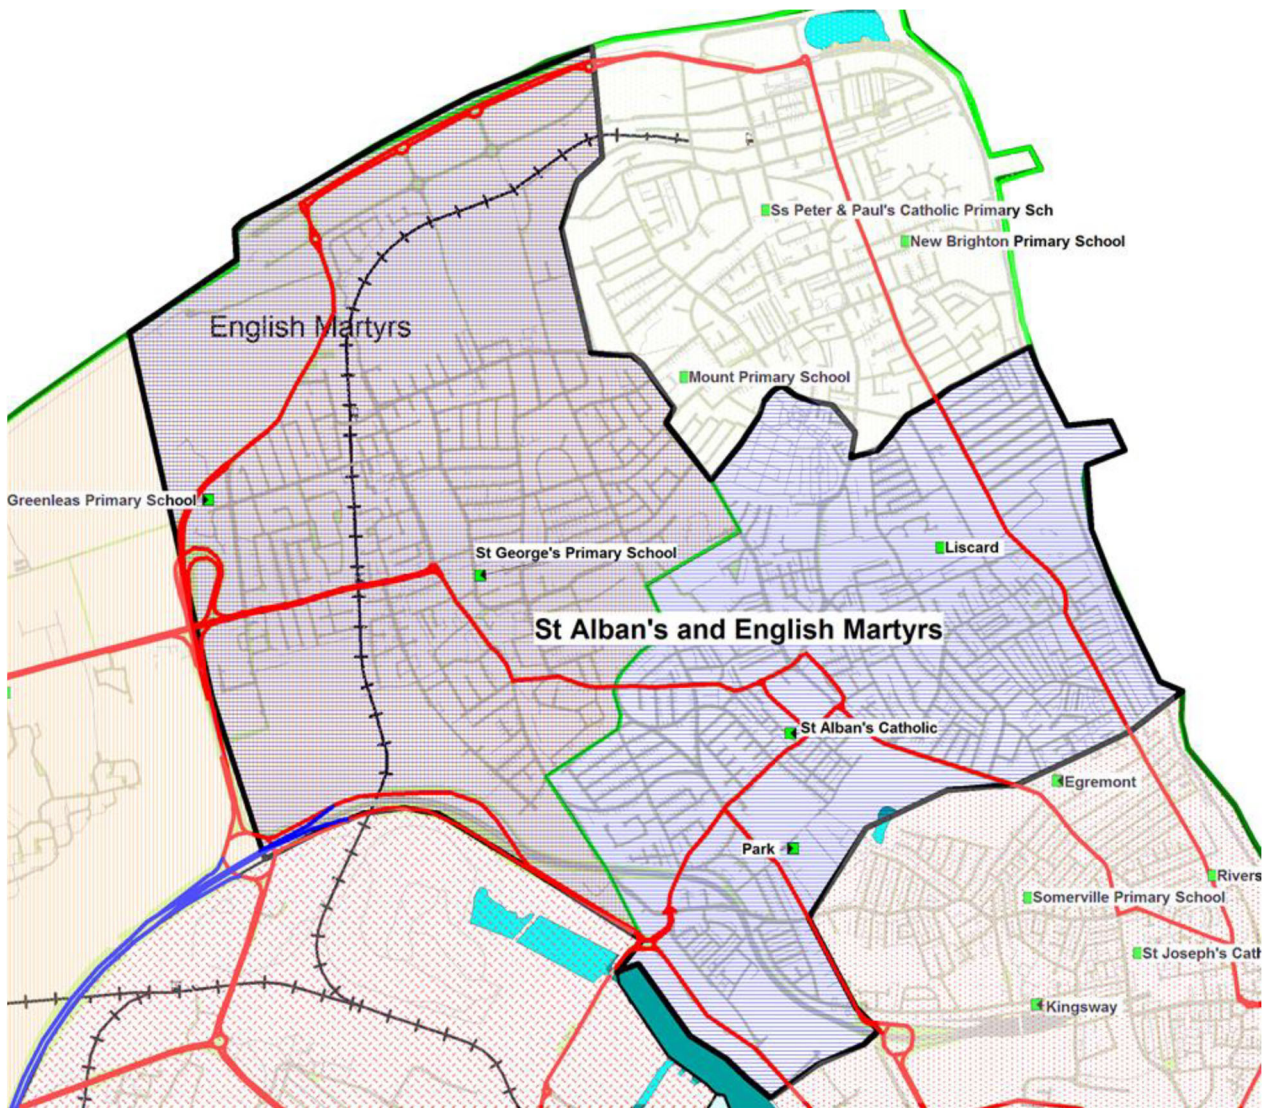

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
- i. all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - ii. the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. This applies where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
11. For the purposes of this policy, parish boundaries are as shown on the below map and will be applied to the admission arrangements for 2024/2025.

12. A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

- g) All children with birthdays between 1 September and 31 August are admitted in September. For children with a birthday after Christmas or after Easter parents may defer entry until later in the year and the Headteacher should be consulted if this option is being considered.
- h) Where distance from home needs to be calculated the Local Authority's computerised measuring system will be used, with those living closer to the school receiving the higher priority.

1. An Education, Health and Care Plan is a plan made by the Local Authority under Section 37 of the Children and Families Act 2014, specifying the Special Education provision required for the child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.

Included in the definition are those children who appear (to the Governing Body) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

6. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
7. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (1) above (see note 8).
- (ii) The children of staff will be given increased priority within each category so that the application will be placed at the top of the category in which the application is made after children in (1) above (see note 10).

Notes (these notes form part of the oversubscription criteria)

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangement order or special guardianship order. Included in this definition are those children who appear (to the governing body) to have been in state care outside of England.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the

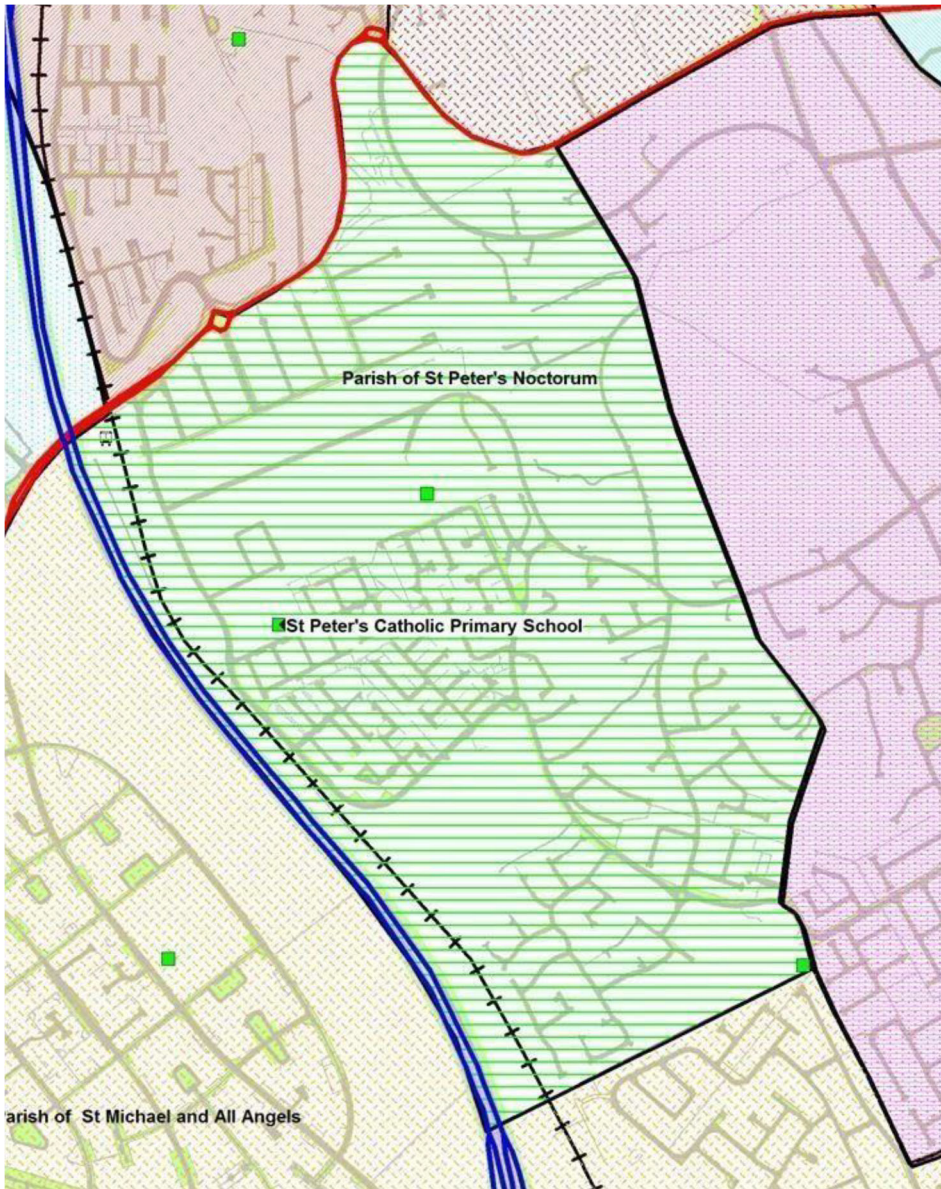

glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
- A religion which involves belief in more than one God,
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. This applies where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
11. For the purposes of this policy, parish boundaries are as shown on the below map and will be applied to the admission arrangements for 2024-25.

St Peter's CofE Primary School

Where St Peter's Church of England Primary School is oversubscribed, places will be allocated in the following order:

1. The highest priority is given to looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of, or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school.
3. Children whose parents are faithful and regular worshippers in the Anglican Churches within the Parish of Heswall. Newcomers to the parish must have a similar Anglican affiliation in their previous parish.
4. Children whose parents are faithful and regular worshippers in a neighbouring Anglican Church for whom this is the closest Church of England school based on the distance from the school measured by the shortest walking route from the front door of the child's home address (including flats) to the main entrance of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.
5. Children who have a sibling in school who will still be attending school the following year.
6. Children resident in the Parish of Heswall within the area bounded on the Easterly side by Telegraph Road (but only including those houses numbered as odd within the range of 83-291 on that road), and on the Southerly side by the Mount (including Mount Avenue), Feather Lane, the Northern part of Delavor Road (even numbers only) and Banks Road.
7. Children whose families are faithful and regular worshippers of another Christian denomination, members of Churches Together in Britain and Ireland and for whom this is the closest Church of England school based on the distance from the school measured by the shortest walking route from the front door of the child's home address (including flats) to the main entrance of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.
8. Other children.

Notes

- a) Professional supporting evidence from e.g. a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school is question is the most suitable school and the difficulties which would be caused if the child had to attend another school.
- b) By "faithful and regular" we mean attendance at a minimum of two services per month for at least six months prior to the closing date for applications (15th January 2024). Evidence for this must be provided on the school's supplementary form.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these (admissions) arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

- c) A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to "parents' attendance at church" it is sufficient for just one parent to attend.
- d) A map showing the boundaries is available from school.
- e) Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.

- f) Where the above criteria are not adequate to distinguish between requests for admission which cannot all be accepted without exceeding the admission limit, priority will be decided on the basis of the distance from the school measured by the shortest walking route from the front door of the child's home address (including flats) to the main entrance of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Woodchurch CE Primary School

Where Woodchurch CofE Primary School is oversubscribed, places will be allocated in the following order:

1. Priority will be given to looked after children and all previously looked after children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted". (See Note a)
2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school.
3. Children who themselves or have parents who have been faithful and regular worshippers in the Parish of Holy Cross, Woodchurch. This should have been for the 2 year period, prior to the date of the proposed admission (See Note b)
4. Children who have a sibling (brother or sister) in school at the time of admission to the school and not when the place is offered. The sibling must include those who are adopted or are step brother or sister living at the same address. (See note i)
5. Children who themselves or have parents who have been faithful and regular worshippers at another Christian Church as recognised by Churches Together in Britain and Ireland and for whom this is the nearest Anglican school measured by the shortest walking route from the front door of the child's home address (including flats) to the main entrance of the school, using the Local Authority's computerised measuring system. This should have been for the 2 year period prior to the date of the proposed admission. (See Note c)
6. Children resident in the Parish of Holy Cross, Woodchurch (a map showing the Parish is available from school.) (See Note c, f and g)

If there are more applicants than places, in respect of Numbers 2, 4, 5 and 6, the following will apply.

- a) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

A child is regarded as having been in state care outside of England if they were in the care of, or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This also includes children who have been adopted.

- b) "By 'faithful and regular' we mean attendance at a minimum of two services per month. Confirmation from your incumbent or minister will be required as proof of attendance."

" In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship".

- c) "Resident" refers to the child's permanent home at the proposed date of admission. In addition to the application form the school can request additional proof of residence such as a utility bill. Following the guidance for the L.A. coordinated scheme 'resident' also refers to children who ordinarily 'wake-up' at the address provided.
- d) A parent is any person who has parental responsibility or care of the child.
- e) Parent's attendance at church requires at least one parent to attend church.
- f) Where the above criteria are not adequate to distinguish between requests for admission which cannot all be accepted without exceeding the Admission Limit, priority will be decided on the basis of the distance. The nearness of a home is measured by the shortest walking route from the front door of the child's home address (including flats) to the main entrance of the school, using the Local Authority's computerised measuring system, with those closer to school receiving the higher priority.

- g) The Governing Body is ultimately responsible for determining admissions to the school. Delegation of powers to the Headteacher will only take place when the governors are advised to if there are fewer applications than places.
- h) In the event of children being equidistant from the school, a random allocation will be undertaken by an independent body.
- i) In the event of places being allocated in a school for twins or children of multiple births, a random allocation will be used in order to decide which child is offered a place.
- j) Priority may be given to the children of staff members when they have been employed by the school continuously for at least two years or where there is a demonstrable staff shortage. Governors may define who is to be included in this category.
- k) A waiting list will be kept open until the end of the Autumn term 2024-25.

WIRRAL COMMUNITY AND VOLUNTARY CONTROLLED PRIMARY SCHOOL ADMISSION POLICY

Applications submitted by the 15 January 2024 will be considered first and places allocated up to the admission number of the school and in accordance with the following criteria:

1. Children who are looked after (in care), and children who were looked after but have been adopted or are subject to a residency order or special guardianship order ('previously in care').
2. Parents of children who live 'in zone' and already have older brothers or sisters at the school living in the same household at the time of the start date. If there are more children with older brothers or sisters at the school than there are places available, we will give priority to children with the youngest brothers or sisters at the school. Where there is more than one child with a sibling in the same year group priority will be given to those children who live nearest to the school.
3. Parents of pupils who live 'in zone' and nearest to the school. We measure distances from home to the school gate nearest to the child's home using the shortest road route, unless it is possible to use a footpath which we consider to be a safe walking route.

If children do not live in the school's catchment area and if places remain available, places will be allocated in accordance with the following criteria:

4. To children who already have older brother or sisters at the school when they are due to start and living in the same household. If there are more children with older brothers or sisters at the school than there are places available, we will give priority to children with the youngest brothers or sisters at the school. Where there is more than one child with a sibling in the same year group priority will be given to those children who live nearest to the school.
5. To pupils who live nearest to the school. We measure distances from home to the school gate nearest to the child's home using the shortest road route, unless it is possible to use a footpath which we consider to be a safe walking route.

NOTES

- a. **Catchment zones.** Parents are advised to always include their zoned school as one of their preferences. A catchment area finder using the street name is available on the Council's website at www.wirral.gov.uk/schooladmissions. Please note that a place in your catchment school cannot be absolutely guaranteed, for example a school with an admission number of 30 may have more than 30 applications from parents living within the catchment area. Places would only be able to be offered up to the admission number and not beyond.
- b. **A Looked After child** is a child who is a) in the care of a Local Authority, or b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions under section 22(1) of the Children Act 1989. A previously Looked After child is one who immediately moved on from that status after becoming subject to an adoption, child arrangements or special guardianship order. This also includes those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted (A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.)
- c. **Siblings.** A sibling is a brother or sister, half brother or sister, adopted brother or sister, step-brother or sister or the child of the parent/carer's partner, where they are living in the same family unit/household at the same address. In the case of an infant school we will also treat a brother or sister at the junior school as a sibling but they will be given lower priority to children at the same infant school. If there are more children with older brothers or sisters at the school than there are places available, we will give priority to children with the youngest brothers or sisters at the school. Where there is more than one child with a sibling in the same year group priority will be given to those children who live nearest to the school.
- d. **Home address.** This must be the child's permanent home address where he/she lives with a person of parental responsibility as the main carer as defined by the Children Act 1989. Applicants must not give the address of a business, relative, childminder, friend, a temporary address or an address to which they hope to move. The home address must not be where parents have taken out a short term let on a property solely to use the address on the application form without any intention of taking up permanent residence there.

Arrangements where parents leave and collect children from another relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be “ordinarily resident” with that person. Proof of residence may be requested which may include: a solicitors letter confirming completion date of a sale, a signed rental agreement showing the start and duration of the tenancy, and may include proof of sale of a previous property. Copies of Council tax and utility bills relevant to the property may also be requested. The information provided may be shared with other Departments of the Council in order to verify the authenticity of pupil’s addresses.

- e. **Applications from separated parents.** Only one application can be processed for each child; therefore it is important that both parties in shared custody arrangements are in agreement over the preferred school(s) named. Where a child spends equal time with both parents, the child’s main residence should be submitted as their home address. If agreement cannot be reached, or if neither parent has been granted a Specific Issues Order in this respect, then the application will be accepted from the parent with whom the child is “ordinarily resident”. This is defined as the address at which the child lives for the majority of the school week (Monday to Friday). Proof of address and residence arrangements will be required with the application or may be requested.
- f. **Changes of address.** Parents and carers must inform the Council immediately in writing of a change of address, even if details of a future change of residency were included on the application form. The Council will require supporting evidence to show that the place of residency has changed; e.g. a letter from the solicitor confirming the completion date; a signed rental agreement showing the start of the tenancy and its duration. In addition further information may be requested - for example, copies of council tax and utility bills or any other information considered relevant to the application including evidence of disposal of previous property. Information and supporting evidence must be received by 28 February. Proof of residency received after 28 February will not be used to assign a higher criterion for admission, but will be used to send the decision letter on the published offer date.
- g. **Deferred entry.** Parents can request deferred entry or part-time attendance up until their child reaches compulsory school age (the term following their 5th birthday). The request must be put in writing to the local authority. Parents should note that if a summer born child delays entry to the September after their 5th birthday, the child will ordinarily be expected to enter Year 1, not Foundation 2. Parents intending to request their child enter Foundation 2 rather than Year 1 are advised to apply as usual and to contact Wirral Council prior to 15 January to discuss actions. Requests will be considered on the circumstances of each individual case and will require agreement from the allocated school.
- h. **Applying for a place.** Parents must return online or paper forms to the Children and Young People’s Department by 15 January to ensure the allocation of a school place on 16 April or next working day. Applications received after the published deadline of 15 January will be dealt with once the offer of places has been sent to parents on 16 April.
- i. **Late applications.** If places remain after all “on-time” applicants have been allocated places, places will then be allocated to late applicants (received after 15 January) up to the schools admission number according to the admission criteria above.
- j. **Home to school distances.** The “shortest road route” from home to school starts at the “seed point” of the home address as provided by the Ordnance Survey compiled from Royal Mail and/or local council data. The starting point connects to the nearest point of the Authority’s digitised routing network. The digitised network is based on the Integrated Transport Network (ITN) supplied by Ordnance Survey and is accurately digitised to measure along the centre of roads. The Ordnance Survey ITN dataset is the most accurate road dataset available and is the definitive national road network for Great Britain. The ITN has been augmented by the Authority to take into account public footpaths and alleyways etc. that are approved to be safe for use by children, accompanied as necessary by an adult, by the Authority. The end point of the “shortest road route” is the nearest open gate of the school officially available for use by pupils at the start and end of the school day. The location of these gates has been set by the Authority based on information provided by the school. The shortest road route is not necessarily a driving route as it may use in part a non-driveable route, such as a footpath. The shortest road route is also not necessarily a walking route, because the measurement is along the centre of the road, not the edge (pavement or equivalent). The same measuring system must be used for pupils in relation to admission to schools as this treats all pupils equally. Other measuring systems may give a different measurement but the Authority cannot take a measurement from another system into account. Online systems that parents may use for comparison, including Google Maps and walk-it.com etc. use the free Ordnance Survey Meridian dataset which is far less detailed, and consequently less accurate. They will not have an accurate starting point, will not bar unsuitable paths, and will not include accurate positions for the gates of the school being measured to. For addresses outside the Authority’s digitised network of approximately 48 square miles, including overseas addresses, an internet mapping solution will be used, e.g. maps.google.co.uk. As a general guide, routes without pavements AND street lighting will be considered to

be unsafe. In the event that two or more applicants where this distance would be the last place to be allocated, one application will be chosen at random.

- k. **Continuing interest list.** A continuing interest list of children whose parents have expressed an interest in obtaining a Foundation 2 place at the school will be maintained until the end of August. This will include both late and on-time applicants. Priority on the list will be given in accordance with the published criteria and does not take into account how long the child has been on the list, or whether an appeal has been submitted. Each added child requires the list to be ranked again in line with the published admission criteria. The Authority will contact parents directly if a place becomes available for their child. In August, the Authority will then write to the parents of those children who have expressed a continuing interest to ask if they wish to remain on the list, which will then be held open until the end of the Autumn term. Schools cannot make offers of places to parents. It is not necessary to submit an appeal (see below) in order to be added to the continuing interest list.
- l. **In Year applications.** Applications must be made on a common Primary School Transfer form stating up to three school preferences, directly to the Mainstream Admissions team, stating the reasons why a transfer is being requested. Applications will be dealt with as set out in the Wirral Co-ordinated Scheme for Admissions.
- m. **Infant Class Size limit.** It is the duty of the governing body of schools to comply with regulations on class size limits at Foundation 2 and Key Stage 1, where classes are limited to 30 children. There are a limited number of exceptions which are set out in the School Admissions Code and in the Wirral Co-ordinated Scheme for Admissions.
- n. **Transferring from Community Infant to Community Junior schools.** All children on roll at an Infant School are eligible to transfer from Year 2 to Year 3 to the linked Junior school even if they do not live in the school's catchment area. Other children must apply for an in year transfer and the admission criteria will be applied in determining whether a place will be allocated (see above).
- o. **Appeals.** All parents will be informed of the school place allocated by the Local Authority. The notification will also inform the parent of the right to appeal and who to contact to make an appeal, which is to an Independent Appeal Panel. Parents should if possible submit an appeal in writing within 20 working days of receipt of notification of the outcome of their application.
- p. **Nursery schools and classes.** Applications must be made directly to the school. If there are not enough places for all children who have applied, the school will give priority to children who will become 4 during the academic year. Within this category, they will give priority in the following order:
- Children with a particular medical reason for going to the school
 - Children who live in the catchment area of another school which does not have a nursery class
 - Children who live in the catchment area of the school or another school which does have a nursery class
- If there are places left after all the four year olds have been offered a place, the school will then offer places to children who become 3 during the academic year in the following priority order:
- Children with special educational needs identified through a statutory assessment
 - Children whose parents receive Income Support, Income based Job Seekers Allowance, Disability Living Allowance or Working Tax Credit
 - Children whose birthday falls between 1 September and 31 December
 - Children whose birthday falls between 1 January and 31 March
 - Children whose birthday falls between 1 April and 31 August
- Within any category, the school will give priority to children who live nearest to the school measured by the shortest available walking route.
- Note that attendance at a particular nursery or pre-school does not guarantee that a place will be allocated at a particular school.**
- q. **Withdrawal of places.** The Authority has the right to withdraw any place offered on the basis of a fraudulent or intentionally misleading application, including but not limited to, sibling connections or place of residence. Wirral Council regularly check addresses and **any deliberate misrepresentation will result in a place being withdrawn.** The Council acts on behalf of all Wirral admission authorities and reserves the right to request independent confirmation of the child's place of residence, as felt appropriate. The Mainstream Admissions team may have to share the information provided with other departments of the Council in order to verify the authenticity of pupil's addresses.
- r. **Children with Special Educational Needs.** Schools are obliged to offer a place to a child with a Statement of Special Educational Needs or an Education Health and Care Plan (EHCP) that names the school following a statutory assessment.
