

To Parents and Carers with a child
under the age of 19 (or 25 with SEND)

We need your help to shape the future of Family Hubs in Wirral.

Family Hubs will be spaces where families can easily access a wide range of non-judgemental support to help them live well in Wirral. They will provide support for a range of topics covering social care, education, mental health and physical health. They will also provide information and support to adults in the family, whether that may be for women's health issues, or advice on lifelong learning and employment.

We are holding workshops on **Thursday 18 May 2023** which will help set the vision for a new model of 'one-stop shop' style support.

- **Birkenhead Park Visitor Centre**, Park Drive, Birkenhead CH41 4HY
